Disability Parking Identification Permit Application

WHAT IS THE DISABILITY PARKING PERMIT?

The Disability Parking Permit is a card that allows authorised holders to use:

- Accessible car parks
- Standard car parks and metered spaces for longer than stated times,
- Time restricted zones, eg P30 for longer than stated times as set out in local by-laws

WHAT ARE THE RULES?

Qualifying applicants receive a Card/Permit with an expiry date and also an identification number. Card holders membership is NOT transferable. To ensure all Card holders get maximum benefit from the Card it is extremely important that the following conditions are met:

- The Card is not allowed to be used by people other than the Card holder
- The Card holder has to have been a passenger or driver of the parked vehicle
- The Card is clearly displayed, usually on the dash board, so that it can be easily seen through the front windscreen.
- The Card may NOT be fixed permanently to the vehicle
- The Card is returned to Sommerville Disability Support Services when it has expired
- If the card is lost or stolen the Card holder must contact Sommerville Disability Support Services immediately. PO Box 540, Wanganui. Phone 0508 787 767 ext. 0.

The key point to remember is that the Card is ONLY for the benefit of you as the Card Holder

Sommerville Disability Support Services has to try to ensure only those who meet the necessary criteria have access to the card, therefore, we reserve the right to decline any application that we consider does not meet the eligibility criteria, or to cancel the Card if used incorrectly.

HOW LONG MAY I HAVE THE CARD?

- **Short Term Disability:** the applicant is expected to gain full or sufficient mobility within **12 months or less** and therefore will no longer meet required conditions of the Card.
- **Long Term:** the applicant is expected to gain full or sufficient mobility **between one and five years** to an extent where they no longer meet the requirements of the Card.
- **Permanent Disability:** the applicant has a **permanent disability** which means they will **always** meet the requirements of the Card. (Card holders only need to get a new card every five years but do not need to reapply through their practitioners.)
